

MEET THE TEACHER!

The Basics!

Hi! My Name is Nicole Heptinstall. This will be my 16th year teaching. I have taught kindergarten, second grade, and third grade. Third grade is my favorite, and I absolutely love East! I am so excited about getting to know your child and your family. It's going to be a great year!

My Education!

I graduated from Hayden High School. I received an Associate degree from Wallace State, a Bachelors in Elementary Education from Athens State University, and a Masters in Education Administration from Samford University. I love learning and hope to instill that same love in my students.

My Family!

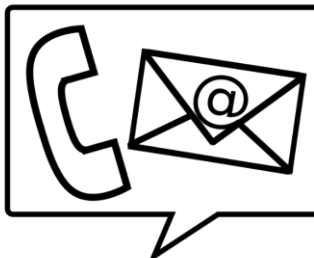

I have twin boys, Aiden and Asher. They were adopted from Russia in 2011. They are 13 years old and are excited to be going into seventh grade at Cullman Middle School this year. Asher plays football and golf and Aiden enjoys riding horses and playing the piano. We love going on outdoor adventures together.

My Favorites!
