

MEET Mrs. Rivers

#welcome to first

My name is Jordan Rivers. I attended the University of Alabama and received my Bachelor's Degree in Elementary Education. My husband and I have a one year old son, John Davis! We live on Smith Lake with our German Shorthaired Pointer, Sophie!

You are officially a giraffe! I am so excited for all of the exploring, learning, and fun we are going to have this year!

This year.....you will be LOVED. You will be ENCOURAGED. You will be CHALLENGED. You will be KIND. I am thrilled to have you in my class!
