welcome
Welcome to first grade! What an amazing journey we get to embark on together! You will not believe how much your child will grow this year. We have so much planned and I can't wait to get to know you and your family!

a little about me
This year marks my 12th year as the Owl teacher at CCPS. I am passionate about teaching and enjoy working with children. I am a 2005 graduate of Cullman High School. I graduated with my Bachelor of Arts degree in Elementary Education from Athens State University in 2010. I received my Master of Arts degree in Elementary Education from the University of North Alabama in 2014.

My husband Dallas and I have two children, Rylee (7) and Brady (3). We enjoy being active in our church and family time. I am so blessed to come to a job I love each day at such a wonderful school!
