

Mrs. Harrison's Classroom News

Week of February 6, 2023

This schedule is tentative and subject to change

pharrison@cullmancats.net

A Peek At the Week

Phonics/Spelling: ie words,

Reading: In My Own Backyard

Making connections, informational text passages. Please read each night 20 minutes with your child. Go over the passages we do in class to reinforce the areas they missed. We go back to look for answers in the passages as we answer. Some are not really wanting to go back. They just guess an answer. 😊 Please help me by reviewing these at home too.

Math: using models to subtract 3 digit numbers. Please review these pages also. Most are having no trouble. Please review and talk about subtraction. Make up some problems at home and let them tell you how they can subtract them. Let them teach you. 😊 They love being the teacher.

Social Science. We will begin a study of economics. Look over papers sent home nightly. This will be good reading practice also.

Upcoming tests

Wednesday: comprehension quiz on a cold read. This is what we have been practicing since November. These are comprehension grades weekly now.

Thursday: Spelling test

Friday: English on sheets we did in class this week. (possessive nouns and pronouns along with nouns, verb, adj, adv, etc.
