

West Elementary School

Vision

Every student a learner, Every student prepared

Mission

The Mission of West Elementary School is to provide a superior educational experience where students succeed academically, physically, and socially while developing an appreciation for the arts, a responsibility for our community, and respect for our country.

Beliefs

Experience success together by increasing academic proficiency, developing social competency, promoting healthy lifestyles, practicing good citizenship, fostering an appreciation of the fine arts, building relationships between school, home, and community, providing a positive learning environment.

Improvement

Social Emotional

Objectives

- West Elementary will increase student proficiency in reading by 5% from Fall 2020 to Spring 2021.
- West Elementary will increase percentage of students that are proficient in math by 5% from the Fall 2020 to Spring 2021.

Objectives

- All school stakeholders will acquire and apply social and emotional skills to self regulate behavior in and out of the classroom environment.

Critical Initiatives

- 2-3 teachers will be highly trained in the science of reading through LETRS.
- 2-6 grade teachers will participate in PD centered on independent daily reading presented by Center of Collaborative Classroom to increase students performance in long passage.
- West Elementary will purchase and update text for small group reading instruction.
- West Elementary will collaborate with AMSTI trainers to train vertical math team in proficiency scales

Critical Initiatives

- Targeted social and emotional skills.
