From the PE Coaches:

We are excited about our upcoming Candy drop that will be held October 29th. This will be during the student's P.E. time. We are asking each student to bring one bag of individually wrapped candy by October 28th. We will provide each student with the same bag to put their candy in to bring home. The students always look forward to this event and the new students love it as well. Thank you for your participation. If you have any questions, please contact me at acampbell@cullmancats.net.
