Cullman Middle School Vision Statement

Empowering Students to Reach Their Full Potential Through Hard Work and Accountability.

CCS COVID Guidelines as of 7/21/22

Student COVID Procedures:

- Stay home if sick and notify the school nurse
- Contact healthcare provider and follow recommendations
- Days 0 - 5, stay home if positive (Day 0 = first day of symptoms OR positive test (if asymptomatic))
- Day 6, return to school IF fever-free for 24 hour without use of medication AND symptoms are better
- Days 6 - 10, recommended wearing a face mask when returning to school

COVID Guidance if students have been exposed:

- No quarantine - You do not need to stay home unless you develop symptoms
- Watch for symptoms for 10 days after last exposure
- Recommended wearing a face mask for 10 full days
- Recommended getting tested after at least 5 days from last exposure
- If you develop symptoms, stay home AND follow above procedure

CMS Policies

Attendance Guidelines

Academic progress and success greatly depends on both regular and punctual attendance at school. In order to benefit fully from the course of study at Cullman Middle School, students are expected to be punctual and to attend all classes regularly throughout the school year. A student's parents/guardians will be informed if the student develops patterns of inconsistent attendance and punctuality according to the CCSBOE Code of Conduct.

According to CCSBOE policy, a school day absence is defined as non-attendance for more than fifty percent (50%) of the regularly scheduled school day (11:30 am). To be counted present, a student must be present more than fifty (50%) percent of the scheduled school day. A class absence is defined as non-attendance for more than fifty percent (50%) of a regularly scheduled class. To be counted present, a student must be present more than fifty (50%) percent of the scheduled class time. To be considered for "Perfect Attendance" recognition, a student must be present 100% of each school day.

Excuse for Absences

- 1. Parent Excuse Notes: each student has 8 parent notes a year; no more than 5 parent notes can be used in one semester. Parent notes are not allowed during exam weeks.**
- 2. Parent notes may be used to excuse check-in, check-out, or all day absences.**
- 3. Parent notes may be used for the first five unexcused all day absences until documentation is provided excusing the absence.**

4. Parents/Guardians can provide attendance documentation by printed copy, fax (256) 737-9621, or email Secretary, Cynthia Parker, cparker@cullmancats.net

Check-In Procedures

1. Students/Guardians should check-in through the CMS main office, sign the check-in/check-out register and receive a check-in notice.
2. Parents/Guardians can provide attendance documentation by printed copy, fax (256) 737-9621, or email Secretary, Cynthia Parker, cparker@cullmancats.net

Check-Out Procedures

1. Parents/Guardians should check-out through the CMS main office and be prepared to show identification before signing the check-in/check-out register.
2. Students will only be allowed to check-out with persons who appear on the student's *Guardian or Emergency Contact List*. To make changes to this list, a written request must be submitted to the school office by the parent/guardian with the new contact's name, telephone number, and relationship to the student. **If there is a need for students to check-out for an appointment, the time of check-in or check-out will need to be in between class periods. Students who are sick will need to report to the nurse before checking out and the nurse will verify the need for check-out with parents. Students entering or leaving the classroom during the instructional period creates distractions and interferes with the teaching and learning process.**
3. Parents/Guardians can provide attendance documentation by printed copy, fax (256) 737-9621, or email Secretary, Cynthia Parker, cparker@cullmancats.net

Documentation supporting an excused absence must be submitted in a timely manner (no later than two school days following return to school) or the absence will be deemed to be unexcused. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

Attendance & Truancy Process

Cullman City School Board Policy:

Compulsory Attendance and Entrance Age – All persons between the age of six (6) and seventeen (17) years of age are required by state law to attend school for the minimum number of scholastic days prescribed by the State Board of Education unless the person holds a certificate of exemption issued by the Superintendent or is otherwise exempt under state law. *Citing Alabama Administrative Code 290-3-1 (truancy)*

Absences and Excuses – Students are not permitted to be absent from school without a valid excuse. Absences will be designated as excused or unexcused. Excused absences will be permitted for the following reasons:

- Personal illness
- Hospitalization
- Emergency

Death in immediate family
Court subpoena
Religious holidays
Special circumstance – administrative approval only

Documentation supporting an excused absence must be **(no later than two school days following return to school)** or the absence will be deemed to be unexcused. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation.

Truancy – Parents or guardians are required to ensure that students under their care, custody or control attend school regularly. Habitual or excessive absence from school may require Board officials to refer the matter to juvenile authorities or to initiate truancy proceedings.

Attendance Accountability Process:

- **Parent Excuse Notes: each student has 8 parent notes a year; no more than 5 parent notes can be used in one semester. Parent notes are not allowed during exam weeks.**
 - Check-in, check-out, excused absence
- After the 1st unexcused absence:
 - An automated phone call and email goes out to parent notifying them of the unexcused absence and truancy laws.
- After the 3rd unexcused absence:
 - A second automated phone call and email goes out to parent notifying them of the unexcused absence and truancy laws.
- After 5 unexcused absences:
 - Letter sent from school “Official Notice of Excessive Unexcused Absences”
 - School adds student to the school truancy accountability spreadsheet (google doc) shared with Truancy Officer (denote whether student is resident or non-resident status)
 - Documented Phone call to parent by Truancy Officer (if not turned in to early warning court)
 - Report to JPO (Juvenile Probation Office)
- Chronic unexcused absences K-8th grades:
 - Follow all steps above AND referral to Helping Families Initiative with DA office
 - Helping Families Initiative (32nd Judicial Circuit) Tim Loveless, Director
 - tloveless@cullmanda.com 256-590-1132 (305 10th St. NE Cullman, AL)

Tardies

Excessive tardiness is detrimental to both the individual and the entire class of which he/she is a member; therefore, tardiness will not be condoned or tolerated. A class tardy, for attendance and marking purposes, is defined as a student's arrival to class after the time set for the beginning of class or after the tardy bell. A school tardy, for attendance marking purposes, is defined as a student's arrival after the official time set for the beginning of the regular school day. When a student leaves a class of their own accord, the teacher may count the student as tardy.

The following is a discipline ladder that will be followed per nine-weeks grading:

4 th Tardy:	Detention
6 th Tardy:	Saturday School
7 th Tardy:	Extended Saturday School
9 th Tardy:	In-School Suspension
10 th or more Tardies:	Principal's discretion

Non-Resident Student CCSBOE 6.1.2

1. Non-resident enrollment is based on grade-level and program capacity.
2. Residency verifications will be conducted periodically.
3. It is imperative that address changes and any contact changes are submitted to the school as soon as possible.
4. Students must abide by School System policies, rules, and regulations. **School/System administration reserves the right to withdraw non-resident students who do not maintain adequate attendance, behavior or academic performance.**

CMS Academics

Uniform Grading Plan

Numerical grades are mandatory in grades 1-12 based on the following scale:

90-100 = A
80-89 = B
70-79 = C
60-69 = D
0-59 = F

Homework/Assignment Policy

Incomplete or poorly attempted assignments are not acceptable. If a completed assignment is not submitted on time or earns a failing grade, students will be assigned detention to complete the assignment. **It is the responsibility of the student to communicate detention placements with their parent/guardian once they have signed the academic detention form.** The credit will be 50% of the earned grade. In the event that work is not submitted after the detention, the student will be referred to Saturday School. While in Saturday School, the student will complete the assignment for no credit. If the student does not attend Saturday School and complete the assignment, he/she will be referred to the administration for discipline that will include completion of the assignment. Disciplinary action will not conclude until the assignment has been

completed. Long-term projects may be based on each teacher's rubric for the project, which will include penalties for late work. Core academic classes will follow this procedure while Physical Education and elective courses may have exceptions based on their course content. It is the student's responsibility to ensure all assignments are turned in to the appropriate teacher.

Make-up Work

Teachers shall provide make-up work or examinations for students absent for any reason. Students will have additional time to make up assignments or examinations **equal to the number of days the student was absent**. Teachers shall not be required to re-teach lessons, but students shall be given a reasonable opportunity to learn the lessons missed due to absences. The student shall be responsible for contacting the teacher(s) to arrange makeup work.

If a student has a planned absence, such as a school or family trip, he/she must contact the teachers prior to the absence to get assignments that will be missed and/or due upon their return. In such cases, students are responsible for any missed work, tests, or other assignments upon the day of their return to school.

Term Average

For students in grades 7-12, the term average shall be arrived at by counting each grading period within the semester equally. In addition, a term exam counting not more than 10% of the final term grade will be averaged along with the grades from the individual grading periods.

Exam Exemptions

Students will be allowed one exam exemption per semester if they meet the following criteria:

1. A total combination of four or fewer: all-day absences (unexcused), detentions for failure to complete homework, and/or disciplinary referrals.
2. A minimum semester average of 70 or higher.
3. No more than four class period tardies.
4. No more than four class period absences (unexcused).

Academic Advancement

At or near the end of the school year the teacher(s) and principal will meet jointly to make a decision as to whether a student will be promoted. In grades seven and eight the student must pass six out of eight academic semesters (math, English, science, and social studies) to be promoted.

If a student becomes a candidate for retention, the parents will be notified as soon as possible. In every instance, the individual student will be evaluated and a decision made which is in the best interest of the student. Although skill mastery will be the primary criteria, teachers may consider multiple criteria in making a final determination on promotion or retention.

Cheating

Students shall not cheat on tests, cheat on assignments, plagiarize work, or fraudulently alter report cards. Students who cheat on tests or give the appearance of cheating on tests will be subject to a grade of zero for that test and be subject to disciplinary action. The same rule applies to assignments handed in to the teacher for credit. Cheating includes receiving or soliciting aid, or the attempt to receive or solicit aid from another person or other source (i.e. books, notes, study aids, computer, etc.) or giving aid, or the attempt to give aid to any person without the consent of the teacher. Plagiarism includes using someone else's words, ideas, works, computer programs, output, or data derived through experimentation or investigation without giving that person credit.

General Information

Athletic Eligibility

All athletic teams will follow guidelines established by the Alabama High School Athletic Association to include age eligibility, grade eligibility, and resident eligibility. Students must be enrolled in Cullman City School System to try out and to maintain team membership status. All extracurricular participants must meet the same standards established for athletes by the AHSAA. (CCSBOE 6.5) Furthermore, students who have been suspended, in school or out of school, cannot practice or compete in any extracurricular activity during the suspension period or on the date of a suspension.

School Opening and Closing Times

The school day begins at 7:45 AM and ends at 3:00 PM. School personnel will not assume responsibility for students more than fifteen minutes before the time set for opening morning classes and fifteen minutes after the time set for closing the normal school day's classes.

However, responsibility shall be accepted and supervision provided for students who arrive early or depart late to participate in programs sponsored by the school (i.e., breakfast program, supplemental curriculum-related programs, athletic events) and those who are transported via school system buses.

Telephone and Messages

Students may be permitted to use the office telephone only in cases of illness or absolute necessity as determined by the principal. Students will not be called to the telephone nor will students be called out of class to talk with a parent or other person unless the situation is deemed necessary by an administrator. **Items delivered throughout the school day may be picked up by students on the table outside of the front office. Entering, leaving, and calling classrooms during instructional time creates distractions and interferes with the teaching and learning process.**

Out-of-District Fees

If a student's status changes from that of a resident student to a non-resident student due to a change of residence of his or her parent(s) or guardian(s), school officials at the school where the student is currently enrolled must be notified within 15 days. Upon a student's change of residence outside of the established school zones, the student's

enrollment status will be at the Superintendent's discretion. If the student is allowed to remain enrolled in Cullman City Schools, the prorated amount of the non-resident fees are to be paid or the student is withdrawn.

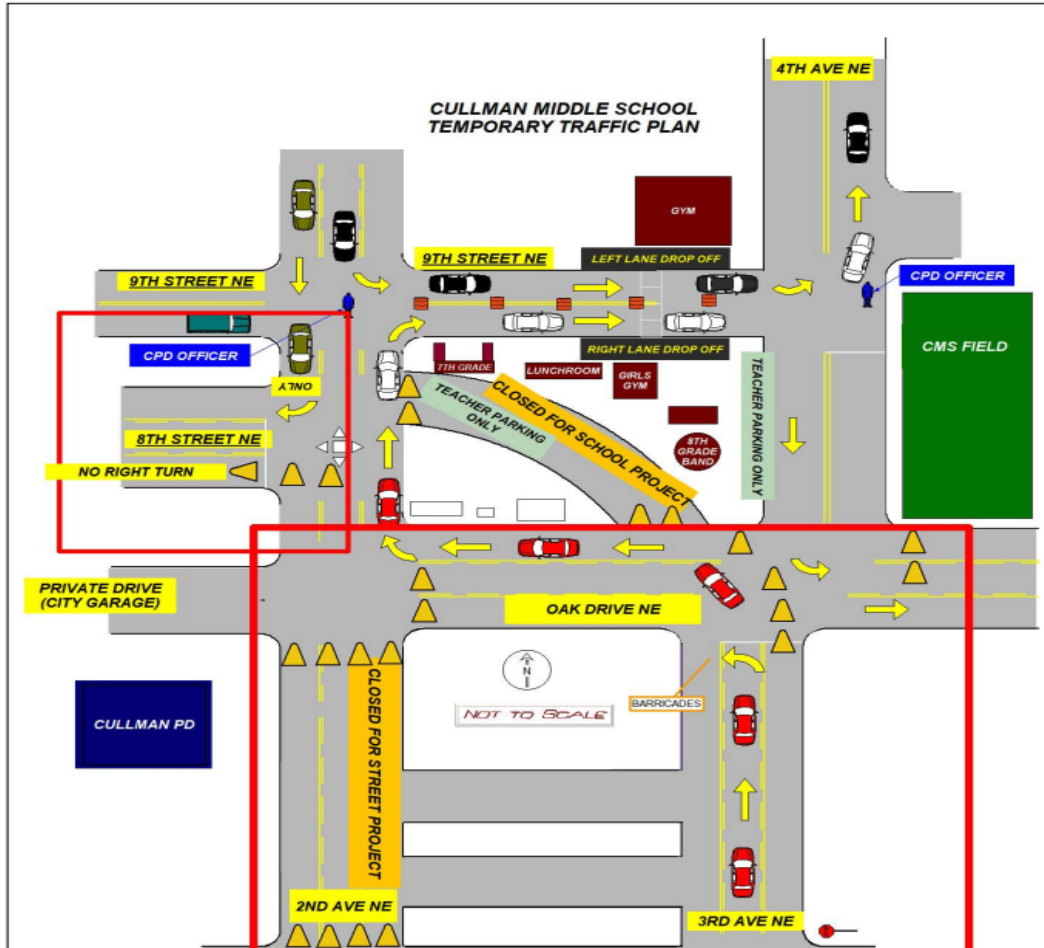

Laptop Computers

Cullman City Schools provides laptop computers to seventh and eighth graders. Parents and students must sign the acceptable usage policy before a laptop will be issued. Parents and students not in agreement with this policy will be issued hard copies of textbooks. Failure to comply with the policy will result in the laptop privilege being withdrawn and hard copies of the textbooks being issued.

Drop-Off and Pick-Up Procedures

The following guidelines will be followed for student arrival and pick-up:

1. Students arriving before 7:40 a.m. must wait in designated areas.
2. The lunchroom will be open for students arriving at 7:20 a.m. for breakfast.
3. Once students arrive on campus they must sign out in the office if they leave campus before the afternoon dismissal bell.
4. Students will only be allowed to check out with persons who appear on the student's *Guardian* or *Emergency Contact List*. To make changes to this list, a written request must be submitted to the school office by the parent/guardian with the new contact's name, telephone number, and relationship to the student.
5. Students must have faculty permission to enter the classroom buildings before 7:40 a.m.
6. **Students arriving by automobiles may only be dropped off or picked up on: 9th Street NE (street behind CMS lunchroom, in front of New Gym)**
7. Students using bicycles must immediately secure the bikes upon arrival on campus. Students may not ride bikes on campus.
8. Students may not bring skateboards on campus.
9. Students may not bring motorcycles or motorbikes on campus.

Electronic Devices

Cell phone usage is not permitted during the school day while on school grounds. Students may use cell phones on school grounds until the 7:45 a.m. bell and after the 3:00 p.m. dismissal bell. Teachers may prohibit students from using cell phones when leaving their classrooms during the school day and after school hours in their classrooms. Students violating the cell phone policy:

- | | |
|---------------------------|---|
| 1. First Offense: | Warning/Phone held until end of day. (Ring, Notification) |
| 2. Second Offense: | Detention/Parent must pick up the phone from the office. |
| 3. Third Offense: | Saturday School |
| 4. Fourth Offense: | ISS |
| 5. Fifth Offense+: | Principal's discretion |

***Students actively using electronic devices on campus will be assigned detention on their first offense.**

Alabama State Department of Education Policy on Cell Phone/Digital Device in a Testing Setting

The possession of digital devices (including but not limited to cell phones, MP3 players, cameras, mobile entertainment, social connections, navigation devices, or other telecommunication devices) is strictly prohibited in the testing setting. Local education agency (LEA) school personnel will collect such devices before students can enter the testing room.

If a device is in the possession of a student in the testing setting, testing for the student will cease, the device will be confiscated, the student will be dismissed from testing, and the student's test will be invalidated.

Additional disciplinary action may be taken by the LEA.

Animals and Pets

The public health department and state law prohibits animals or pets from school campuses for health and safety reasons. Any exceptions must have the permission of the school administration. Experimentation or exhibits involving animals or pets must receive prior approval from the administration. Failure to do so will result in disciplinary action.

CMS Student Rules and Policies

Student Conduct

All students will be expected to conduct themselves in a manner appropriate to good citizenship with respect and consideration for the rights of others. It is expected that students come to school to learn; therefore, any conduct which interferes with or disrupts the educational process will not be tolerated.

Student Dress Code

Cullman Middle School recognizes that appropriate student dress and grooming are essential in maintaining a productive educational environment. In order to maintain a setting conducive to a positive educational environment, Cullman Middle School requires that all students exercise good judgment with regard to their personal appearance and health. Any attire, physical appearance, or personal hygiene of a student that is considered disruptive to the educational process or creates a health and/or safety problem is not appropriate for Cullman Middle School.

1. Any clothing, appearance, or personal hygiene and grooming practices that draw an inordinate amount of attention to the individual student are considered inappropriate for school. The dress and/or grooming style of any student must not interfere with the educational process of Cullman City Schools.
2. Students must be neat and clean at all times. An unkempt or sloppy appearance is not appropriate in the learning environment of a school.
3. Students are to wear clothing in the manner it was designed to be worn. Ex. Clothing worn backward or inside-out is not allowed. Pants worn too low or excessively large, baggy clothing will not be permitted.

4. Revealing or suggestive clothing may not be worn; this includes sheer clothing. Undergarments should be worn in an appropriate manner and not visible.
5. All shorts must have a 6-inch inseam.
6. All clothes should be in good condition. Holes in clothing must not be extreme or revealing. Cut-off clothes are not allowed.
7. Spandex pants/leggings may be worn as long as a top adequately covers the front and back private areas.
8. Students are not to wear jewelry, ornaments, or other accessories which distract from the educational process or present a health and/or safety hazard. With the exception of earrings, body piercing is not allowed.
9. Clothing that displays antisocial, immoral, illegal, or gang-related slogans or names is not allowed. Any article of clothing, jewelry, or haircut depicting gangs, satanic, occult, violence, sex, drugs, alcohol, tobacco, mutilation, or language that could be considered obscene or vulgar will not be allowed.
10. Except for religious, medical, or class-related activities, caps, hats, and coverings may not be worn on campus.
11. Sunglasses may not be worn on school grounds.
12. Outerwear (dusters, trench coats, gloves, modified gloves) is not to be worn to school or at school functions.
13. All students are required to wear their hair in such a manner that is not considered unkempt, unclean, impairing vision, or disruptive to the educational environment. Students are not to wear hair dyed in unusual or unnatural colors (including strips and tips).
14. Students are not to wear costumes, metal chains, metal spiked apparel, or other similar accessories.
15. Students are required to wear appropriate shoes to school at all times. No bare feet, house slippers, boots with chains, steel toes, or other metal reinforcement or decorations are allowed.
16. Straps on tank tops and/or jerseys must be a minimum of three fingers wide.
17. Any clothing, personal hygiene, or grooming practice that the school administration determines to be inappropriate for school, will not be permitted.

NOTE:

1. The privileges offered under the dress code may be withdrawn from any student or students who fail to meet the Code of Conduct or dress code in general.
2. Students who violate the rules of the dress code will be subject to disciplinary action as well as having privileges allowed under the dress code withdrawn.
3. If any aspect of the dress code becomes a consistent problem, appropriate adjustments will be made by the administration to address the situation. For example, if students consistently violate a certain aspect of the dress code such as wearing shorts too short, then that privilege may be revoked for all students.
4. The final decision regarding dress will rest with the principal or his/her designee.

The following rules and regulations are mandatory for all students attending Cullman Middle School. Students who fail to comply with these rules and regulations will be subject to disciplinary action.

Classroom Discipline

Classroom teachers will handle minor problems in a routine manner. Each teacher has his/her own instructional style and classroom guidelines for students to follow. It will be the responsibility of the student to understand and follow these guidelines. Teachers may temporarily remove students for disruptive behavior.

Detention

Individual teachers or teacher teams may choose to use detention for classroom/campus minor infractions of rules.

Saturday School

The Saturday School Program will operate from 8:00 - 11:00 AM. Extended Saturday School will operate from 8:00 – 2:00 PM. Any student arriving late to Saturday School will not be admitted. The doors to Saturday School will be locked at 8:05 AM. Therefore, parents should remain on campus until they are sure that their child has gone into Saturday School. If a student has an unexcused absence from Saturday School as determined by the administration, the student will be assigned to In-school Suspension or reassigned to Saturday School. Students are excused from Saturday School only if they have a doctor's note or prior permission from the school's administration.

In-School Suspension

The In-School Suspension program is an alternative to out-of-school suspension. Students may be assigned In-School Suspension (ISS) from one to ten days based on the seriousness of the infraction. All school work will be the responsibility of the student. He/she will receive credit accordingly. No attendance or participation in extracurricular activities will be allowed during the suspension period or on the date of the suspension. Students are counted present in daily attendance and are allowed to make up any missed classroom work upon their return to class.

Out-of-school Suspension

The authority to suspend a student from school rests entirely with the Principal or Assistant Principal. The suspension will be for a specific number of days as specified by the Cullman City Board of Education (CCSBOE) and statutory regulations. The number of days will be determined by the seriousness of the offense. Students will receive a grade of zero on any graded work during the suspension time. Any student suspended from school will not be allowed to participate in any extracurricular activities, school functions, practices, enter school property, or attend any school activity on any school campus during the suspension period or on the date of the suspension.

Loss of Privileges

Students who have disciplinary referrals (i.e., two or more suspensions for class I or II offenses, any suspension for a class III offense), poor assignment completion rate (i.e., an average of four or more detentions per nine weeks), or excessive absences (i.e., five or more unexcused absences per semester) will be excluded from taking part in school activities. School activities include field trips, pod competitions, field day, eighth-grade picnic, extracurricular activities, etc.

Turning Point Program

The Turning Point Program is an alternative education program designed for students who are facing expulsion from a regular education program.

Expulsion

A student may be expelled from school if an offense is serious enough to warrant such action. The authority to expel a student is retained solely by the CCSBOE.

Lunchroom Procedures

1. Enter the lunchroom and proceed to the serving line.
2. Outside food policy: Food and drinks from restaurants may not be delivered to students or eaten in the lunchroom.
3. Meal requirements: Entree, Fruit, and Vegetable. Milk is included with lunch or students may have water from the filling stations.
4. The 2022-2023 lunch price is \$3.25. **Student lunches will not be free for the 2022-2023 school year. Families that may qualify for free and reduced lunches need to complete a Free and Reduced Meal Applications online. [Free and Reduced Meal Application Link](#)**
5. Outstanding fees should be addressed in a timely manner.
6. Once seated, remain in your seat until the bell rings to end the lunch period. Discard your trash in the garbage cans as you exit the lunchroom.
7. Discard all items before leaving the lunchroom. Do not take food or drink into the classrooms.
8. Mrs. Walsh will have positive behavior incentives for reserved seating opportunities in the lunchroom.

Other Public Agencies

Interrogations by Public Officials CCBOE Policy JCAC

When law enforcement officers make it known that they wish to talk to a student while under the supervision of the school, the following procedure will be used:

1. The student will be called to the office of the principal or designee.
2. The principal shall permit the law enforcement officer(s) to talk with the student. Such talk or interrogation shall be in the presence of the principal or designee and in a private setting.

In case an arrest warrant is presented by law enforcement officers, the school principal or designee shall make a reasonable effort to notify the parent or guardian of the student in question prior to the student's removal from the school premises.

Department of Human Resources

The Code of Alabama provides for mandatory and permissive reporting of child abuse/neglect to a "duly constituted authority," primarily the Department of Human Resources and law enforcement when any person suspects children are being abused or neglected.

Unannounced Visits by Law Enforcement Agencies

To provide and maintain a safe and secure environment for students, staff, and visitors, the CCSBOE supports the requirement of the Alabama Administrative code, section 290-030-010-06, to permit law enforcement agencies to make periodic, unannounced visits to any school within Cullman City Schools. Such visits shall be for the purpose of detecting the presence of illegal drugs, alcohol, or weapons and will result in immediate suspension from school and possible criminal charges being brought against the student(s).

Privacy and Property Rights

Searches of Desks and Lockers CCSBOE 6.16

The CCSBOE (6.16) recognizes the implications of constitutional law in the area of student privacy. The board is equally aware that such tangible property items such as student desks, student lockers, and related properties are and remain the property of the school board; therefore, desks, lockers, and other equipment owned by the school system may be searched by school officials at any time or for any reason. There is no expectation of privacy.

Student Records CCSBOE 6.13

Students and parents/guardians shall be provided access to official records directly related to students and an opportunity to challenge such records on the grounds that they are inaccurate, misleading, or otherwise inappropriate. Students and/or parents/guardians who wish to review records shall contact the school for an appointment.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA), a federal law, requires that Cullman City Schools, with certain exceptions, obtain written consent from a parent/guardian prior to the disclosure of personally identifiable information from a student's records. However, Cullman City Schools may disclose appropriately designated "directory information" without written consent, unless advised by the district to the contrary in accordance with district procedures. The primary purpose of directory information is to allow Cullman City Schools to include this type of information on a student's education records for certain school publications.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a

parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Educational Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephone listings – unless the parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Cullman City Schools to disclose directory information from your child's education records without prior written consent, you must notify the school in writing by August 31. Cullman City Schools has designated the following as directory information: (Note: An LEA may, but does not have to include all the information listed below.) Student's name, address, telephone mail address, photograph, date and place of birth, major field of study, dates of attendance, grade level, participation in officially recognized activities and sports, weight and height of members of athletic teams, degrees, honors, and awards received. the most recent educational agency or institution attended.

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access. Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. Parents or eligible students who wish to amend their child's or their education record should write the school principal, clearly identify the part of the record they want to be changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official typically includes a person employed by the school or school

district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an auditor, consultant, or therapist. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. Cullman City Schools will forward records on request, including disclosure requests initiated by the parent or eligible student.

4. The right to file a complaint with the Family Policy Compliance Office, which is a component of the U.S. Department of Education, concerning alleged failures by Cullman City Schools to comply with the requirements of FERPA.

Equal Educational Opportunity CCSBOE 6.8

No student shall be denied the benefits of any education program or activity on the basis of race, color, national origin, sex, disability, age, or membership in patriotic youth organizations. All programs offered by Cullman Middle School are open to all students consistent with statutory and judicial requirements. Admission of students to special and advanced programs of activities shall be based on the performance of students.

Asbestos Management Statement

The Cullman City Schools, in compliance with the Environmental Protection Agency (EPA) AHERA Program, have performed an inspection of each school building for asbestos-containing materials. The Asbestos Management Plans and/or updates are on file in each school's administrative offices for review during regular school hours. Inquiries or complaints may be directed to the Superintendent of Cullman City Schools, 301 1st Street NE, Suite 100, Cullman AL 35055. Phone: (256) 734-2233.

Meningococcal Disease

In the 2006 Legislative Session Senate, Joint Resolution 26 (Act No. 2006-54) was passed urging the Alabama State Department of Education to inform parents and students in grades six, ten, and twelve of meningococcal disease. Meningococcal disease is a serious illness, caused by bacteria. It is the leading cause of bacterial meningitis in children two to eighteen (2-18) years old in the United States.

The bacteria that cause meningococcal disease are very common. The disease is most common in children and people with certain medical conditions that affect their immune systems. College freshmen living in dormitories also have an increased risk of getting

the disease. The disease is spread through the exchange of respiratory droplets or saliva with an infected person including kissing, coughing, sneezing, sharing drinking glasses, and eating utensils. In a few people, the bacteria overcome the body's immune system and pass through the lining of the nose and throat into the bloodstream where they cause meningitis. Meningitis is a term that describes inflammation of the tissues surrounding the brain and spinal cord. Symptoms of the disease include fever, headache, stiff neck, red rash, drowsiness, nausea, and vomiting.

MCV4, or meningococcal vaccine, is recommended for all children eleven to twelve (11 to 12) years of age and for unvaccinated adolescents at high school entry (15 years of age). High school seniors should also consider obtaining the vaccine prior to entering college, especially if they are planning on living in a dormitory. Please consult your physician or local health department for more information. More information on this and other vaccine recommendations can be found at www.adph.org/immunization
