all about me

HELLO! I am Keli Thrasher and I am thrilled to be your child's teacher this year. I began my teaching career at CCPS in 2002. I received my Bachelors and Masters Degree from the University of North Alabama. I am also a National Board Certified Teacher.

My husband, Chris, and I have two children Will age 8 and Caroline age 6. When I am not at school, I enjoy traveling, being on the lake, and spending time with friends and family. I cannot wait to start learning and working with you and your child.
